A NOTE OF GRATITUDE

The following groups are full of people who support, assist, and show great care for the China Spring Band Program. Words do not grant them full justice but in an effort to show our gratitude, we have recognized them below.

THE CHINA SPRING ISD ADMINISTRATION

You always show immense support of the band program and have made operating our program a dream. Thank you for continually making it possible to do "band" at a high level.

THE CHINA SPRING COUGAR BAND BOOSTERS AND ROADIES

They are always looking for ways to improve the band and make everything run smoothly. You truly are the glue that holds so many things in our program together. Thank you!

THE BAND PARENTS

Your display of support for the band program by allowing your children to participate in the band is truly what makes our band special. You are the front lines in ensuring our students can participate at such a high level where ever they go. Thank you for enduring the first few months of beginning band. It only goes up from here!

THE BAND STUDENTS

Your hard work and dedication to the band program does not go unnoticed. We appreciate everything you do and we're glad to have you in the program! You have done such amazing work this semester and we can't wait to see how far you go!
